

MATERIALS LIST:

Drawing Pens - mm (Sakura number):

- 0.25 mm (#01)
- 0.35 mm (#03)
- 0.45 mm (#05)

Suggested brands:

- Sakura Microperm*
- Derwent
- Uni Pin
- Staedtler

*I have found Sakura Microperm the least likely to bleed.

Drawing Pad 90 lb (250 gsm) 9x12 (e.g., Legion Stonehenge at BLICK) or
Watercolor Sketchbook

Watercolor sketchbooks cold or hot press.

If you have paper or sketchbooks that you would like to use, test it for its ability to take water. Surface texture will affect the ability to make marks, smooth will be best.

Watercolors or colored inks

Round watercolor brushes or calligraphy brushes

Small containers of black drawing ink, any brand.
